

1 **(April 1, 2002)**

2 **Health Hazards**

3 Section 1-07.4(2) is revised to read:

4
5 The requirements of this provision apply to the following:

6
7 *** \$1\$ ***

8 This project site is known for occupation by transients and is known to contain
9 biological hazards and associated physical hazards. The worksite may include
10 materials and wastes associated with transients, drug users or litter, that pose
11 physical or biological safety and health hazards or both. These may include, but
12 not be limited to, violent and dangerous individuals (physical hazard), hypodermic
13 needles, food, garbage, clothing, bedding, broken glass, human and animal
14 excrement, drug paraphernalia, makeshift dwellings, birds, bats, rodents and other
15 hazards.

16
17 **Health and Safety Requirements**

18 The Contractor shall communicate with the Project Engineer to ensure a
19 coordinated effort for providing and maintaining a safe worksite for both the
20 Contracting Agency's and Contractor's workers.

21
22 **Construction Requirements**

23 The Contractor shall be responsible for the sanitation measures required to
24 provide and maintain a safe and healthful jobsite for the duration of the project in
25 accordance with all applicable laws and this Special Provision.

26
27 **Site Maintenance For Biological and Physical Hazards**

28 Cleanup of the site, including all preparatory work required to make the
29 worksite sanitary and safe in accordance with applicable laws, shall be
30 completed to address all biological and associated physical hazards present.
31 Necessary worker training, on and off site preparations, and safety equipment
32 shall be provided by the Contractor to complete the cleanup and disposal of
33 the biological and associated physical hazards.

34
35 **Periodic Site Maintenance**

36 The Contractor may elect to take some security measures such as lighting,
37 fencing, or security guards to ensure that the site remains safe and healthful.
38 The costs for these security measures shall be included for payment under the
39 lump sum price for "Site Maint. For Bio. And Physical Hazards". If the worksite
40 becomes unsanitary or unsafe due to biological and associated physical
41 hazards after initial maintenance work activities such that additional
42 maintenance becomes necessary, those costs shall be included for payment
43 under the lump sum price for "Site Maint. For Bio. And Physical Hazards".

44
45 **Payment**

46 Payment will be made in accordance with Section 1-04.1, for the following bid item:

47
48 "Site Maint. For Bio. And Physical Hazards", lump sum.

49
50 The lump sum contract price for "Site Maint. For Bio. And Physical Hazards"
51 shall be full pay for work to perform the site maintenance for biological and
52 physical hazards as specified, and all other related work as mentioned in this

1 special provision or as required by law, including the work described as
2 periodic site maintenance.
